

The  
Mark Preece  
Family House

A PROJECT OF HOSPITAL FAMILY HOUSES OF ONTARIO

January 11, 2010

Tammy Chaput  
Marketing Manager  
AATEL Communications Inc.  
413 Victoria Ave. N.  
Hamilton, ON L8L 8G4

Dear Tammy;

You and your colleagues are a real inspiration! Thank you for choosing the Mark Preece Family House to be the recipient of proceeds from your December Fundraising event. Your donation of \$880.00 was a delightful surprise and will go a long way in helping us to complete construction and furnish the hospital family house for our visitors.

This month the tenant work inside the building will be underway. We are reconfirming room layouts and all the details for the next steps. Families will be looking for a warm, affordable and comfortable place to stay near the bedside of a hospitalized loved one, yet away from the stress for a short respite. We will have fourteen family guestrooms at the house.

*artistic concept for the Mark Preece Family House*

It is certainly going to be an exciting year ahead as the interior takes shape and we get ready to open this summer. AATEL Communications really has community spirit and we are lucky to have you as our neighbour too. Our paths may likely pass again as we work on our Communications needs for this facility.

Sincerely,

Elaine Scrivener, CFRE
